ANNUAL REPORTS

DUBLIN, NEW HAMPSHIRE

1976

This is how *OLD HARRISVILLE RD.* and *RT. 101* looked at the turn of the century and was commonly called *"THE PARTING OF THE WAYS"*. Twenty years later the concrete road surface was constructed as the horse and carriage faded and gasoline driven vehicles increased.

Today this scene is one of the most heavily travelled non-express ways in New Hampshire and subject to much discussion for eliminating the large flow of traffic through this area.

ABSTRACT OF ADJOURNED TOWN MEETING
held at the Town Hall, Dublin, N.H.
Tuesday, June 15, 1976

7:30 P.M. Meeting called to order by C. Robertson Trowbridge, Moderator presiding.

Pursuant to the motion made at the Annual Town Meeting of March 2, 1976, an Adjourned Town Meeting was held on June 15, 1976 at 7:30 P.M., to consider Article 11 and such other business as may come before the meeting.

Robert B. Allen, Selectman, Moved that the Town appropriate the sum of eleven thousand dollars ($11,000.) for the reconstruction of the bridge on Charcoal Road over Hurricane Brook, and that the Town raise two thousand dollars ($2,000) of this amount by taxation in 1976 and that the balance of nine thousand dollars ($9,000) through the issuance of a five year note, the first principal payment of one thousand eight hundred dollars ($1,800) and the first estimated interest payment of approximately four hundred five dollars ($405) to be made in 1977. The plan is to remove the beaver dams to help reduce the water level and repair the surface of the bridge with concrete. Motion carried.

Moved to reconsider Article 8 in order to change the wording of the original motion concerning the purchase of a new Highway Department truck. Motion to reconsider carried.

Original Motion read as follows: Moved that the Town appropriate thrity-six thousand nine hundred dollars ($36,900) for the purchase of a 1976 GMC truck Model HV77-13, with Diesel Engine, Model 6V-53N, equipped with 10x20 twelve ply tire front and rear, 9 ft. x 7 ft. 4-6 yard dump body, Howe-Coleman Double Reduction Driving Front Axle, including Wing Box, Valves and Pump, and extra valve for dump body, but not including Front Plow Blade and Wing Blade.

And that the Town authorize the Selectmen to withdraw eight thousand one hundred dollars ($8,100) from the Heavy Highway Equipment account of the Capital Reserve for the above purchase, and authorise the Selectmen to raise the balance of twenty-eight thousand eight hundred dollars ($28,800) through the issuance of a five year note, the 1976 principal payment to be five thousand seven hundred sixty dollars ($5,760) and the 1976 estimated interest payment to be approximately one thousand two hundred ninety-six dollars ($1,296).

Mr. Krogman then moved the following amendment to the original motion on Article 8. Moved that the Town appropriate thirty-six thousand nine hundred dollars ($36,900) for the purchase of a 1976 heavy duty Diesel truck, equipped with 10 x 20 twelve ply tires, front and rear, 9 ft. x 7 ft. 4-6 yard dump body, driving front axle, including wing box, valves and pump and extra valve for dump body but not including front plow blade and wing blade.

After discussion Mr. Eaves moved to amend the motion further by striking out any reference to the Coleman front end. Motion to amend carried. The original motion meant that we could only purchase a GMC Model HV77013 truck. Since town Meeting several other bids have come in from other dealers and manufacturers which are considerably lower. The motion as amended carried.

Moved to reconsider Article 13 whereby the Town adopted the Budget for 1976 Motion to reconsider carried.

Lucille McDonald, Selectperson moved to amend the budget under Article 13 as follows:

Moved that the Town accept an Amendment of the Estimate of Revenue on page 19 of the Town Report for 1975, transferring the amount of $9,887 appropriated for

the operation of the Town Dump from "Withdrawal of Capital Reserve Funds" to "Amount to be raised by Taxes". The new figures will read as follows:

"Withdrawal of Capital Reserve Funds $8,100, and "Amount to be raised by Taxes" $71,291.

The Capital Reserve Fund was not set up to operate the Town Dump, but for studies to be made for Solid Waste Disposal.

Motion Carried.

Meeting Adjourned at 8:30 P.M.

Respectfully submitted
Anita J. Crowell
Town Clerk

REPORT OF THE BUDGET COMMITTEE

This has been the second year of the Budget Committee under the Municipal Budget Act. We feel that we are providing a service to assure fiscal responsibility in Dublin.

Our role includes the hearings of each budget and the preparation of the Annual Town Budget. We review the expenditures of each department throughout the year and, by and large, have been impressed with the efforts made to "keep within the budget" — we encourage this concern!

A major task for the coming year will be the financial planning of future capital expenditure.

A special effort was made to analyze the Highway Department expenditures over the past five years. Barbara Schaal is to be especially commended for a complete survey. The results enabled the Sub Committee to project the '77 Highway Department Budget with more confidence.

Our Secretary, Mary Krogman, has been outstanding in her role as the keeper of words and numbers — a great task.

Respectfully submitted,
Fred D. Carter, Chairman
Mary E. Krogman, Sec.
Edward F. Whitney
James A. Haddock
Barbara Schaal
Russell F. Eaves

To the Board of Selectmen of the
Town of Dublin

We have examined the balance sheets of the General Fund and Trust Funds of the Town of Dublin as of December 31, 1976 and 1975, and the related statements of changes in fund balance, revenues, appropriations and expenditures and general long-term debt of the General Fund and changes in fund balance of the Trust Funds for the year(s) indicated. Our examination was made in accordance with generally accepted aud'ting standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Town has not maintained a record of its general fixed assets and accordingly a statement of general fixed assets as required by generally accepted accounting principles is not included in the financial report.

In our opinion, the aforementioned financial statements present fairly the financial position of the General Fund and Trust Funds of the Town of Dublin as of December 31, 1976 and 1975, and the results of the financial transactions for the year(s) indicated, in conformity with generally accepted accounting principles applicable to government entities applied on a basis consistent with that of the preceding year.

REPORT OF CONVAL SCHOOL BOARD REPRESENTATIVE

DUBLIN STAFFING

The perennial problem of staffing at the Dublin Consolidated School continues to be one of the most pressing and frustrating issues of the year. To date it is still unresolved despite hours and hours of presentations before sub-committees, the full board, and the administration. This round began at the 76-77 budget hearings last January and has continued throughout the year with a great deal of parent support. A new policy which would ensure a more stable staffing pattern was presented to the board and to date has been rejected, although it is still in sub-committee and appears to be gaining support on the board. The quality of education in Dublin or any school for that matter, is in large measure dependent upon the number of students each staff member must teach in a given classroom, with due consideration given to all factors including room size, double graded situations, total duties, and long term pupil enrollment. In my opinion, Dublin has regressed from the ideal one teacher per grade situation to a very confusing four teachers for six grades arrangement. However, we are fortunate to have dedicated, competent teachers who have accepted the challenge despite difficult conditions. Although the problem of this year's staffing needs has remained unresolved, at the time of this writing, an additional teacher has been proposed by the administration for the 1977-78 school year. This will allow for a self contained first grade next year.

TRANSPORTATION

Those of us who thought busing problems were only for large urban areas were sadly mistaken. In spite of the efforts of a minority of the board including your representative, the lame duck board members last spring forced through approval of a three year contract with a new contractor. From that time forward the board has had its time disproportionately taken up with problems relating to the safe and convenient transportation of our children to the schools in the district. The board refused to negotiate with the reliable, experienced contractors who had been serving us for many years, and in the name of economy chose a different course which at this point has proven to be a rocky one. The complaints and concerns of the Dublin parents have been carried to the transportation subcommittee and the full board. We are keeping careful watch over the whole situation and will do what is necessary to maintain a safe transportation system, given the conditions we now must work under. We will have a better handle on alternatives after a year has passed.

RESULTS PLANNING

The Conval District in conjunction with the State Department of Education has embarked on an ambitious project to assess where we are in delivering educational services to our communities, using a technique called Results Planning. It asks in effect, what our ideal school system would look like if we had everything just as we wanted it. It also asks where we are now in relation to our ideal, and most important, what means we must use to attain these goals. Of course there are different concepts of what that ideal should be among members of the board. Hopefully this project or way of looking at our schools will result in a more responsive and effective program.

MISCELLANEOUS

Needless to say, the School Committee is constantly dealing with issues relating

to hiring staff, disciplinary action, policy changes and revisions, maintenance programs, budget, and community relations on and on into the night! 1977 is a new year with new hopes and new challenges. As always, I am eager to hear from you by letter, phone or in person on any school related issues.

Respectfully submitted,
Robert W. Sweet, Jr., Conval School Board

Selectmen
Town of Dublin
Dublin, N.H. 03444

Dear Sirs and Madam,

After three full Saturdays in attendance at budget discussions at the Contoocook Valley School District, the ultimate result may be an increase of some four or five percent over and above the 1976-1977 cost of $331,363.96 (Dublin's share). There is, of course, no way at this time of saying what the exact amount will be as the School Board has, as of this date (Jan. 24), not received the budget from committee. The next steps include board action, public hearing, and district meeting and then final tabulation.

A major new program is included in the budget for the 1977-1978 school year. I was the only one to vote in opposition to this $29,000 expenditure for a Student Assessment Program and feel that it is a costly and round-about way of arriving at course guidelines over which the parents of Dublin went to "war" a couple of years ago. This program, by the way, willl cost more than $100,000 before it's in high gear. If there is to be any happiness coming to Dublin folks it is that five teachers are recommended for the elementary school in the Fall of 1977. This, as is usual, is the result of the old and now famous "numbers game" and not the result of an ill-conceived pressure tactic.

It is, as I've said before, sad that there is no longer an active parents group to discuss educational matters (and budgets). No one, other than our very hard-working Dublin school board member, Bob Sweet, showed up at the budget discussions and probably no one even knew the meetings were going on. That apathy is not only reflected in the public attitude but also in the complete lack of press coverage by the local scandal sheet.

I hope more than 29 persons from Dublin will feel up to journeying down to Peterborough in March to discuss the FOUR MILLION DOLLAR BUDGET.

Happy taxes,

REPORT OF SOLID WASTE COMMITTEE

This year the committee has had a number of meetings. Members have gone to area towns within the Monadnock Region to listen to various proposals to do with the disposal of solid wastes. More tests and more plans have been gone over, both at the dump site and at Mr. Sweeney's office in Concord. In late fall Selectman Krogman and Michael Walker attended a meeting with the N.H. Air Pollution Control Commission as part of a sort of keep-in-touch program. We aired our plans to these people, they were thought to be good, and it is hoped they will soon be approved.

We have been temporarily approved to continue to burn until such time as a decision is made on our plans. However, we do have one of the best cared for dumps in the state of New Hampshire. The William White family are to be commended for the fine job they are doing at the dump.

The final set of plans which have been presented at Concord for the Dublin Solid Waste Committee were prepared by The Bradley Associates of Concord. We hope by town meeting day to be able to announce a favorable decision on these plans.

The committee would like to caution residents as to the disposal of solid waste within the land fill site. All garbage and solid waste must go into the land fill and not placed with tires, brush piles, etc. The committee has been told several times by Mr. Sweeney that neatness does count and when approved we are to be monitored frequently.

REPORT OF THE BICENTENNIAL COMMITTEE

While trying to avoid the commercialism and carnival atmosphere such celebrations often generate, the Bicentennial Committee endeavored to bring to the town of Dublin a commemoration of our nation's 200th year that will be remembered more for its sincerity than for its boisterousness. Indeed, the Committee believes that the Bicentennial year in Dublin was quiet, dignified, and emotionally satisfying.

The Committee attempted to follow the guidelines laid down by the State Bicentennial Commission, the Commission having specified the following topics: "Heritage '76"; "Festival '76"; "Horizons '76". Thus, in observing guidelines under Heritage '76, the town placed bronze markers in the Dublin cemetery on the graves of soldiers of the Revolutionary War. Also, on the 4th of July, there was an inspiring patriotic service at the Dublin Community Church. In observing guidelines under Festival '76, on the 3rd of July, the Town held an Old Home Day with everyone invited to participate; and, finally, in following guidelines under Horizons '76, by undertaking restoration work on the old School House No. 1, thereby preserving a portion of Town history for the benefit of our children.

In participating in all of the above, we earned the right to fly the "Bicentennial Flag", and were also the recepients of a $1,000 matching grant for our restoration work.

The School House Restoration project is off to a good start, and we hope, with the help of some interested townspeople, to complete it this year. It is our hope, as well, to form a sub-committee under the aegis of the Dublin Conservation Committee. This sub-committee would function as an historic preservation trust, assuming responsibility for Dublin's historic records and relics.

The above covers only the larger observances. There were many other outstanding events held in town throughout the year: we are most grateful to Dorothy Worcester and Elliott Allison for assembling and presenting a program of pictures of old Dublin; to Rosemary James for opening the James Studio for an art exhibit of our well-known Dublin painters; to the Women's Club for arranging a Contradance at the Town Hall; and to the ladies of the Dublin Garden Club for placing red, white and blue flowers on the graves of our Revolutionary War soldiers.

The Committee wishes to thank the Selectmen, Town committees and organizations, especially the Recreation Committee, for their very generous help during this special year in our nation's history.

EMERGENCY NUMBER 352-1100

I would like to open this years report by commending Mr. & Mrs. Elliott Allison, who for the past twenty years or so have been our school crossing guards. One or the other of them have been posted by the crosswalk unfailingly in rain, snow, sleet, or occassional sunny days, and I am happy to say there has never been an accident involving school children during this entire time. The town owes them a deep vote of thanks for their dedication. Also, we are most fortunate to have Glenna Eaves as our crossing guard this year as she is also doing an outstanding job.

Unfortunately after having a cruiser on Route 101 for the past twelve years, the law of averages caught up with us and the cruiser was involved in an accident which put it permanently out of service. The cruiser did have 83,000 miles on it and was scheduled to be replaced this year. We were able to get a temporary replacement from the State Police. There is an article on this in the Town Warrent.

I am happy to say our response to medical emergencies is much more proficient this year and we hope to keep improving in future years as we find more and more calls of this nature. I would also like to commend the Fire Department on their response to these emergencies also. Both departments have received new recesitator units this year, and we now have several members in the community trained in C.P.R. procedures.

A note of real concern is the increase in D.W.I. violations over the past twelve months, almost double from 1975. As everyone has heard before, drinking and driving don't mix. Please stay off the road if you have been drinking.

There has been an alarming increase in criminal prosecutions over the past year from 37 a year ago to 89 this year. The major catagories are; D.W.I. 32, Burglary 9, Theft by unauthorized taking 16, Theft of services 4, Dispencing a contorlled drug (LSD) 1, Criminal mischief 3, Possession of Marijuana 3, Assault 1, Reckless operation 3, Unauthorized use of a motor vehicle 4, and Disorderly conduct 2.

The Department has also prosecuted the usual traffic violations this year with over 82 speeders, 16 solid line violations, 6 stop sign, and over 40 other various motor vehicle offenses.

We had no Presidential visits this year, but we did have one hopeful in town last January with the usual array of Secret Service Agents and State Police.

We had an increase of traffic accidents this year with damage exceeding $300, 68 this year compared to 56 a year ago and 22 persons required medical assistance for bodily injury. In addition to these we have responded to several hundred calls involving minor accidents, cars off the road, Monadnock rescues, domestic problems, lost cats and dogs, trespassers, suspicious persons, and assisting other police departments. The townspeople will be happy to note that the report that we received last year that someone had stolen all of the water out of Dublin Lake (after a complete investigation) turned out to be false.

Respectfully submitted,
Robert McLean, Chief

REPORT OF DIRECTOR OF CIVIL DEFENSE

The Civil Defense Agency, Concord, notified me that the loan agreement on the 5KW Generator installed in the Fire House had expired. I submitted a request for a new three year loan 1976-1979.

A nation-wide analysis of existing stockpiles of emergency rations revealed that many items have become rancid or inedible for other reasons. Several large stocks were re-processed and converted to animal feed. The State Agency directed me to destroy any existing stocks of emergency rations to avoid any possibility of ill effects on individuals consuming these items. Our very small stock of emergency rations stored in the school building were destroyed with the help of Mr. Rajaniemi.

An updated Basic Emergency Operation Plan without annexes was submitted to State Headquarters and approved.

A refresher course for CD personnel will be conducted at the Ramada Inn in Keene at 10:00 a.m. on 26 March and 23 April. All town officers will be welcome.

After 26 years of State Service, E. George Moses, Deputy Director, has joined the Retired ranks. We will miss him. Wesley R. Williams has been appointed as Acting Deputy Director.

REPORT OF HIGHWAY AGENT

The highway department had a busy year, plowing sanding, salting from March until spring. When spring weather came the snow fence was taken down, roads graded, ditches cleaned, and roads graveled where needed.

Approximately five hundred yards of cold patch was mixed and used to smooth the rough spots on the tar roads, which were later sealed. There was about seven miles of roads sealed with asphalt.

TRA was finished on Windmill Hill Road. Eight hundred feet of under drain placed, graded, and asphalt mixed and placed. The slopes were dressed and seeded.

Brush was cut along most of the roads with tractor mower. On Stone Pond Road brush was cut with chain saws, brush saw, and then chipped.

On the Goldmine Road one pipe was added, graded, post markers added, asphalt mixed and placed, sand fill added to the slopes.

The ditches on some of the tar roads, E. Harrisville Rd., Bond's Corner Rd., Craige Rd. were cleaned with many more to do.

Another section of the Windmill Hill Rd. has been started, trees cut and the brush chipped and is ready for TRA this coming year.

Sand for winter sanding was screened and gravel crushed, this fall.

The snow fence that was in good condition was put up. Then winter was here again with the plowing sanding and salting.

At this time I would like to thank the people of Dublin for their cooperation during this past year.

Respectfully Submitted,
Clarence Babneau, Highway Agent

REPORT OF THE SUPT. OF CEMETERY

I am happy to report that burials were down during the Bicentennial. We handled seven interments, a substantial drop from the previous year. This mild statistic prompts the equally mild observation that we are the only department in Dublin sure of approval while reporting a thirty percent loss of business.

We did manage to sell five lots. Even more important, we received two more contributions to the Perpetual Care Fund. This Fund is vital, and now produces roughly forty-four percent of our costs. Keep it growing!

The new addition is complete. This Spring we plan to mark out the lots, and have them ready for sale. A contract has also been let to put down crushed stone on the road.

Winter struck before Keene Monument could begin repairing broken tombstones. Next year for sure!

Bought a new small mower, (had to shoot the old one), so next years caretaker is assured of good equipment. Which reminds me to thank Danny McQuillan for keeping things trim last year.

Again, the Cemetery Committee thanks the town for its support.

Richard B. Schaal
Supt. of Cemetery

DUBLIN PUBLIC LIBRARY

Photographs of an earlier Dublin, annotated by the librarian, were shown on five different occassions during the year. We are forever grateful to Mr. Eliot Allison for most of these pictures. The Dublin Elementary School allowed us to use their opaque projector which enlarged the photographs on to a screen. We appreciate Mr. Albert Wolfe's collection of pictures borrowed or owned by him.

During the summer months old photographs of unknown houses were on exhibit. Patrons enjoyed looking at these and a few were identified.

We deeply appreciate the gift of an American flag by Mr. Hildreth Allison of Washington, D.C. This flag has flown over the Capitol.

A paper quilt was made by women in the community and hung by the charging desk. The children were desirous to do something of their own for the bicentennial year and made a paper mural which hangs over the inner entrance door. We thank talented Mrs. Anni McKeen for her supervision of these two projects.

The Dublin Garden Club has given us a new tape recorder. We hope to do oral history and listen to tapes with this facility, thanks to the Club.

Mrs. Ralph Perkins sensed the need for a good magnifying glass to see small details in pictures, and immediately went out and bought one for us. It is most appreciated.

Mrs. Jane Hawkins has loaned us for the winter months, a painting of the late Alexander James. The scene is the village looking eastward. We appreciate Mrs. Hawkins sharing.

Mr. and Mrs. Von Stade have presented us with an unusual gift of sculpture created by Michael James. Their thoughtfulness is appreciated.

Miss Marcia McKenna of Dublin and Conway, and Mrs. Augusta Dillon of Hancock, exhibited paintings during the months of June and July. Over three hundred people signed the guest books after viewing these exhibits. Patrons appreciate this new dimension to library services.

The library enjoyed a most successful film program well attended by the local day camp during the summer months. After seeing the film **Red Balloon**, the children left the library with a hundred colorful helium filled balloons, which soon soared skyward! After the movie **Doughnuts**, a reenactment of the story followed on the library lawn with a make believe doughnut machine and dozens of doughnuts to be eaten by the young people!

One of the most important duties of the trustees is to determine library policies and prepare a line budget annually. This year immediate attention has to be given to improvement to the over forty year old heating system. Last fall over three hundred dollars damage was caused by a rusted broken pipe to a radiator in the reading room. It has been a warning! A heating engineer was called in to make recommendations. An article will appear in the warrant pertinent to this subject.

Ms. Kathrynne Bedell of West Islip, L.I. continues to remember our children by

generous gifts of new books. She deserves a gold medal.

We thank the following friends of the library for books, magazines and money: Dublin Women's Community Club, Dublin Extension, Dublin Garden Club, Bahai Group, the late Dr. Ross McFarland, Mr. Albert Wolfe, Mr. and Mrs. Eliot Allison, Mr. and Mrs. Steve Fontaine, Mrs. Charlton McVeagh, Mr. William Bauhan, Mrs. Michael Worcester, Mr. and Mrs. Hugh Eaton, Mr. Andrew Elder, Miss Marcia McKenna, the Mountain Messenger, and Yankee. Their gifts enrich our library.

One goal to be aiming for, a driveway to the back of the library for service, and in particular to make it possible for the handicapped to enjoy some of the privileges we take for granted.

We have examined the balance sheets of the Dublin Public Library Building Fund as of December 31, 1976 and 1975, and the related statement of changes in fund balance for the year(s) indicated. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the aforementioned financial statements present fairly the financial position of the Dublin Public Library Building Fund as of December 31, 1976 and 1975, and the results of the financial transactions for the year(s) indicated, in conformity with generally accepted accounting principles applicable to government entities applied on a basis consistent with that of the preceding year.

DUBLIN PLANNING BOARD 1976

In 1976 the Dublin Planning Board felt there was a need for a citizens group to study data that had been gathered by the Monadnock Region Studies and therefore formed a "Sounding Board". The new Board is studying the new information and considering a "Master Plan" for the Town. A large number of citizens have been successfully performing in this capacity with more work to do before their final report can be presented. Professional Planners have stated that we are one of the best equipped Towns with soils information, maps and land use inventory. Now we should use the data properly.

The Board has spent many meetings reviewing subdivision plans, holding hearings and taking formal action. Many cases are routine but all are given carefully consideration. Of particular importance has been a proposed subdivision on the Troy Road. The Board worked closely with all operating departments of the Town on a cost study of the proposal. As a result of the reports received, a negative recommendation was made to the subdividor due to the "Premature Division" and related costs that would be involved.

The Board met with State of New Hampshire Highway Department in November to discuss the status of Route 101 By-Pass. After considering the safety of all Town Citizens and long range planning, the Board asked the Selectmen to pursue all the possibilities of obtaining a By-Pass, limited to two lanes, with truck passing lanes where needed about the Town of Dublin. More information on this subject will come forth in the coming months.

The Planning Board continues to enjoy the professional assistance and guidance of the Southwestern N.H. Regional Planning Commission. We recommend continued financial support as noted in the budget.

You are welcome to attend any Planning Board meetings. We normally meet each 1st and 3rd Thursday of the month.

CONSERVATION COMMISSION REPORT—1976

The Commission held 19 meetings during 1976 on the 2nd and 4th Thursday monthly with the exception of holidays.

Guests at various meetings throughout the year included Selectmen Krogman and Allen, Planning Board members Richard Hammond and Richard Schaal, Mr. and Mrs. Elliott Allison, Mrs. Dorothy Worcester, Joseph Wakeman, Chic Babneau, Tom Chrisenton of the Soil Conservation Service, Andy Motter of the Southwest New Hampshire Regional Planning Commission and John Elder of the Board of Adjustment.

The second annual Town roadside clean-up was held May 8th and included 10 pick-up trucks, poster contest by the Dublin Consolidated School students, many adult and youthful volunteers and hot-dogs served by the Tom Naylors. A canoe trip through Mud Pond was sponsored on April 24th for the Dublin Youth Group with canoes and transportation provided by willing volunteers. A land and site tour of Dublin took place on June 12th with Commission members and families and Mr. and Mrs. Allison in Mike Walker's van. The Commission gratefully accepted a complete inventory of 308 wildflowers and shrubs in Dublin, painstakingly compiled and offered by Mr. and Mrs. Allison.

The cost of $68.00 was underwritten to send David Wozmak to Spruce Pond ecology camp in June, and $85.00, or $5.00 per head, was given toward the Dublin Consolidated School's 6th grade week at Ocean Park Camp in Maine. Gifts of magazine subscriptions to National Wildlife and Ranger Rick were made to the Dublin Consolidated School and to the National Audubon Society for the Dublin Public Library.

A second land and site tour of Dublin was held on October 23rd and included members of the Commission and the Sounding Board, all of whom were driven around Dublin in the Kingdom's bus, offered and manned by Joseph Wakeman.

By request of the Planning Board the Commission 1) compiled an inventory with accompanying map of all commercial, historic, recreational and scenic sites in Dublin in conjunction with the land use maps being developed by the Harvard students for the Planning Board, 2) submitted a complete report on the soil conditions and various limitations to be overcome for housing development on a 150-acre considered subdivision, the land located at the Marlborough town line on the Old Troy road.

The Commission supplied the selectmen with a blown-up air flight photo of Mud Pond and its condiguous streams and wetlands plus a mylar overlay prepared by the Soil Conservation District office delineating the 100' setback within which building is prohibited according to the Zoning Ordinance. Meetings were held with Andy Motter of the SWNHRPC, the Planning and Sounding Boards and Selectmen for the purpose of preparing a Wetlands Conservation District for the Town.

During the course of the year the Commission also:

Verified suspected violation of Zoning Ordinance Article III, paragraph F, no. 3 in construction taking place within 100' of Howe Reservoir and reported same to Selectmen as enforcers of the Zoning Ordinance.

Established sub-committee to inventory all structures, historic or otherwise as required by the N.H. State Enabling Act. Questionnaires were compiled by William Bauhan and Ellen Ballou and mailed to all building owners in August.

Published 3rd and 4th issues of Newsletter, "Dublin Dirt" in February and August.

Researched, as required by law, 2 applications to the Water Resources Board for permits to dredge and fill.

Elsie Burnham is to be commended for the thorough clean-up of the auto body shop on route 137 as well as removel of car parts and fill from a small section of Mud Pond. Track 4, tenants in the former Stone snow mobile shop, have filled and covered the dump pit they inherited which contained about 20 junk cars.

The resignation of Paul Miller was accepted with particular regret, as he was one of the originally appointed members in 1970 and served as chairman of the Commission during its first three years. Mrs. Jesse R. Hale was appointed to fill out this term. William Bauhan was appointed to fill out the term of Mrs. Virginia Marston who resigned due to moving to Holland.

MONADNOCK REGION ASSOCIATION REPORT FOR 1976

The Monadnock Region Association was founded in 1934 when representatives from twenty-four towns in Southwestern New Hampshire first met and formed the organization.

The objectives of the Association today are much the same as they were in 1934.

We believe in tourism and recreation for the residents of the region and for the many visitors who enjoy coming here. The tourist industry in New Hampshire is a $450 million dollar business and over 32,000 New Hampshire people are employed in tourist related jobs. The Monadnock Region Association is the only association or group expressly charged by the State of New Hampshire with the responsibilities of recreation and tourism in the Monadnock Region.

In 1976 the Association distributed over 120 thousand folders and brochures about the Monadnock Region to potential tourists and travelers to our area. Tourists paid the State of New Hampshire 14 million dollars Rooms and Meals tax in 1976. Over 5½ million dollars of this was redistributed by the State to all New Hampshire towns and cities. Every town and city in the Monadnock Region received a share of this tourist tax revenue according to population.

The Town of Dublin received $7,059 of these funds in 1976.

The Monadnock Region Association also strives to improve the industrial climate in the area. We know that there can not be jobs for our young people if there are not shops, plants, and warehouses where they can work. In the Region there are many good companies that provide clean, well-paying jobs and they don't make smoke or pollute the streams. We seek to help other firms like these to locate in the Monadnock Region.

Also we want to maintain and preserve our natural resources, our mountains, our forests, our fields and our wild birds and animals so that they can be enjoyed by those who live here and by the visitors who come to the area now and in the future.

Our interests in recreation and tourism, in industry, and in conservation, haven't changed greatly in 43 years.

REPORT OF THE BOARD OF ADJUSTMENT

In 1976 the Board of Adjustment was petitioned seven times for public hearings. Several of these were after the fact in that people were already in violation of the Dublin Zoning Ordinance. Just a reminder, that all citizens in town are responsible for being aware and following the ordinance. Then if you have a problem or need a variance, see the Board of Adjustment before you start to build. Here is a summary of the 1975 hearings;

No. 1-76 — Mr. and Mrs. Peter Vanni granted a variance to build closer than 35 feet from boundry.

No. 2-76 — Appeal Hearing — Found in favor of petitioners Mr. and Mrs. Brian Hastings on construction of a home closer than 100 feet to Howe Reservoir.

No. 3-76 — Mrs. Jane Hawkins granted a variance to build closer than 35 feet from boundry.

No. 4-76 — Mr. and Mrs. Thomas Beaulieu granted a variance for a mobile home on their property until July 1, 1977.

No. 5-76 — Mrs. Barton Anable, withdrew request for a variance to build closer than 35 feet from a boundary.

No. 6-76 — Mr. and Mrs. Richard MacGrath granted variances to rebuild a boathouse on Dublin Lake.

No. 7-76 — Camp Wa-Klo denied a variance to build closer than 100 feet from Thorndike Pond.

REPORT OF THE RECREATION COMMITTEE

This past year has been an important one for the Recreation Committee. There were a great many changes — new programs, expanded programs, plans for the future. We also accepted the resignation of Dan Lentricchia, our Recreation Director. He first took a leave of absence due to illness in his family and then felt that he could not fulfill his duties and so resigned. The Committee decided not to replace him for the time being but, instead, to run the programs using committee members and townspeople.

One of the programs with the Committee initiated last year was the Winter Carnival which was held in February. Activities included cross country and downhill ski racing, snowball throwing, and the highlight of the day — a broom hockey game between the Dublin Fire Company and the Dublin All-Stars. The Carnival was chaired by Lucy Shonk and Wally Snitko and they were assisted by Dublin School.

The next new program sponsored by the Recreation Committee was the Memorial Day Junior Olympics — a track and field meet for boys and girls through high school. Running, jumping, and throwing events were held and ribbons awarded. Thanks go to Don Honkals, Fred Hogan, Judy Hale, and Bernie Langston for their assistance and cooperation in the running of the Junior Olympics.

Part of the Bi-Centennial Celebration was Old Home Day which began with a costume parade, led by a float constructed by Fairwood. There were old-time games, pony rides, pie-eating, greased pole, chicken barbecue, food and flag sales. The day concluded with an old-fashioned band concert which preceded the fireworks display.

These are new programs which the Recreation Committee has begun and plans to continue sponsoring. At the same time, we hope to improve these activities and make them more enjoyable for all.

For six weeks during the summer, Caravan 76 came to Dublin under the auspices of the Recreation Committee. This was a traveling program of music, dance and crafts performed by professionals and put on by the UNH Drama Department.

The Summer Playground was greatly expanded under the leadership of Mrs. Dee Fontaine. The program was expanded from four to six weeks with many new activities such as tennis lessons, arts and crafts, overnight, bake sales, library parties and movies, Little Red Wagon, Field Day. Mrs. Fontaine was ably assisted by Tina Woodward and Barry Neilson. Attendance more than doubled over the first year of operation and it is hoped that this rate of growth will continue.

The Halloween Party was expanded this year with the addition of the School band playing for an outdoor parade. A hay ride and dance were included for boys and girls in grades 7-12. Cider and doughnuts were served by refreshment chairman Judy Hale and her assistants Vera Elder and Carol Ruback.

The Recreation Committee also sponsors such activities and the fall Mt. Monadnock climb, the Little League and the Christmas Party. It is the hope of the Recreation Committee that more and more residents in the Town of Dublin will participate in the programs we are sponsoring and in any new activities which are

begun in this coming year. We welcome suggestions, comments and ideas from you.

Dublin Recreation Committee

REPORT OF THE DUBLIN COMMUNITY FOUNDATION

June, 1976, marked the end of the first decade of operation for the Dublin Community Foundation. At the Annual Meeting in September, 1966, total assets were $530. Five years later the assets were $15,830 plus 4 shares of IBM and 6 shares of DuPont stock. Ten years later the figure stands at approximately $22,000.

Except for a small checking account in Peterborough, the funds are held and administered by the New Hampshire Charitable Fund in Concord, N. H. according to an Agreement signed in June, 1966. The N.H.C.F. disburses income and principal as the Foundation may request and this is considered a gift or grant to the Foundation. Gifts to the Dublin Community Foundation for the benefit of the town of Dublin and its inhabitants are tax deductible, as the New Hampshire Charitable Fund is a Community Foundation, exempt from tax.

From 1966-1974 (22) people became Life Members with $100 contributions. In September 1974, the By-Laws were amended to establish Annual Memberships for $5. (67) people became members that year, (83) the next year, and (68) so far this year. (14) more people became Life Members during these three years; there are now 36 Life Members of the Foundation.

The Dublin Community Foundation has supported the following organizations and projects over the ten year period. The funds came from membership contributions, interest, and specific donations. A total of $10,295 has been given to the people and the town of Dublin — something to be proud of!
